

# 3 SELECT-A-PLAN: BY MIX-AND-MATCH MEALS

This approach allows you to choose well-balanced, low-fat, high-fiber P-C-F meals very easily.

- ✧ Combine any of the following breakfast, lunch or dinner meals on the following pages.
- ✧ You'll consume your desired 1300-1600 calories/day, and 20-30 grams fiber per 1,000 calories.
- ✧ Most meals are conveniently "assembled," with little or no cooking.
- ✧ "Miscellaneous" refers to snacks or extras you can eat at mealtimes.

## For Weight Loss, I Recommend:

**WOMEN:** Eat 1300-1400 calories a day and 30-40 g fat as:

	Calories	Fat
Breakfast:	250-300	0-5 g
Lunch:	400-500	10-15 g
Supper:	450-500	15-25 g
Misc./Snack:	100-200	0-5 g

**MEN:** Eat 1600-1800 calories a day and 50-60 g fat as:

	Calories	Fat
Breakfast:	300-400	0-10 g
Lunch:	600-700	10-25 g
Supper:	600-700	10-25 g
Misc./Snack:	100-200	0-5 g

## Results

With moderate daily activity, a woman will lose 2-4 pounds a month, and a man will lose 4-6 pounds a month.

## For Weight Maintenance, I Recommend:

**WOMEN:** Eat 1500-1800 calories a day and 30-60 g fat as:

	Calories	Fat
Breakfast:	300	0-5 g
Lunch:	500-600	10-15 g
Supper:	600-700	15-25 g
Misc./Snack:	100-200	0-5 g

**MEN:** Eat 2000-2500 calories a day and 50-75 g fat as:

	Calories	Fat
Breakfast:	400-500	0-10 g
Lunch:	700-900	15-30 g
Supper:	700-900	15-30 g
Misc./Snack:	200	0-10 g

<b>TOTALS</b>	<b>380</b>	<b>4</b>			

## Other Ideas

1. Pick up sandwich at local deli at lunch or before work (some delis are in grocery stores). Add fresh fruit from home.
2. Pack leftovers. If at a restaurant the night before, add "extra vegetables to go" with half of your entrée for tomorrow.
3. Keep supply of soup, frozen meals, cheese and crackers, peanutbutter, fruit, and popcorn at work.
4. See breakfast and dinner ideas to use at lunch.
5. Choose fresh fruit, green salads, non-creamy soups, potatoes from your local grocery store delis.

**Light cheeses** may be low-fat or reduced-fat cheeses and contain half the fat of the original product or 1/3 fewer calories.

**Low-fat cheeses** (< 3 g fat per 1 oz.) refer to Weight Watchers slices, Laughing Cow light wedges, etc.

**Reduced-fat cheeses** (≤ 6 g fat per 1 oz.) refer to part-skim mozzarella, Parmesan, Kraft 2% milk Cheddar, Swiss, etc.

**Light or reduced-calorie** refers to 35-40 calories per slice bread and 50 calories per tablespoon margarine or mayonnaise.

**Nonfat salad dressings** ("fat-free") contain 5-25 calories per tablespoon.

**Light salad dressings** contain 25-50 calories per tablespoon.
