Bright Horizons
Care Advantage™

A Bright Horizons Solution at Work

Your Many Bright Horizons Care Advantage® Benefits Include:

BACK-UP CHILD AND ADULT/ELDER CARE:

Employees can access up to 15 annual days of family care when regular arrangements fall through. Get immediate access to care supports at subsidized rates; center-based care is \$25/child or \$35/family; all in-home care is \$6/hour.

NANNIES, SITTERS, ELDER CARE, AND MORE:

Free access to a database of nannies and sitters for evening and weekend care, elder care resources, and homework help. Also get preferred enrollment access and discounts for regular center-based child care.

TEST PREP AND TUTORING: Private and small-group tutoring for SATs/ACTs, standardized tests, Common Core subjects, and general help for your student.

EDUCATIONAL ADVISING: Impartial help from educational experts that helps you tame homework battles, support study skills, save and pay for college, and guide students in applying to college. Provided via webinars and one-on-one and online assistance.
