## 2020 LMC LEADING VIRTUAL TEAMS is HERE!

In September 2020, the Atrium Health Department of Learning and Organizational Development will offer the opportunity to enroll in a brand new Leadership Mentoring Circles Program called **LEADING VIRTUAL TEAMS!** Intimate groups of leaders will meet for 1 hour monthly to network and share best practices in a trusting and low-pressure environment via Microsoft Teams. Leaders will discuss the following topics from the remarkable book by Kevin Eikenberry and Wayne Turmel called The Long-Distance Leader:

- Engaging Others in the Virtual Environment
- Effective Communication: Coaching & Feedback at a Distance
- Leading Effective Virtual Meetings That Deliver Results
- Productivity of Teammates: Achieving Outcomes at a Distance
- Leading Hybrid Teams (some on-site, others remote)
- Managing My Own Productivity and Self-Talk

Please obtain your direct supervisor's approval before registering for the program. All leaders are welcome to apply. A leader is considered to be a teammate who has direct reports. This remarkable book will be provided at no cost to you in eBook format (more details to come).

To provide a good environment for discussion and collaboration, program size will be limited. Click on the link below to register before September 15th!
